

Fiscal Confidence Index: September 2015 Results

Topline survey results from the Fiscal Confidence Index for **September 2015**. The FCI value for September is 48.

The Peter G. Peterson Foundation commissioned the poll by the Global Strategy Group and North Star Opinion Research to survey public opinion on the national debt. The nationwide poll included 1,000 U.S. registered voters, surveyed by telephone between September 21 and September 24, 2015. The poll has a margin of error of +/- 3.1%. The poll examined voters' opinions on the national debt, political leadership, and America's fiscal and economic health.

The Fiscal Confidence Index value is derived from six questions in three categories: Concern, Priority, and Expectations. The September 2015 scores are: Concern (41), Priority (20), Expectations (85). For the complete methodology used to determine the Fiscal Confidence Index value, [click here](#).
