

Fiscal Confidence Index: August 2016 Results

Topline survey results from the Fiscal Confidence Index for **August 2016**. The FCI value for August is 50.

The Peter G. Peterson Foundation commissioned a poll by the Global Strategy Group and North Star Opinion Research to survey public opinion on the national debt. The nationwide poll included 1,018 U.S. registered voters, surveyed by telephone between August 22 and August 25, 2016. The poll has a margin of error of +/- 3.1%. The poll examined voters' opinions on the national debt, political leadership, and America's fiscal and economic health.

The Fiscal Confidence Index value is derived from six questions in three categories: Concern, Priority, and Expectations. The August 2016 scores are: Concern (39), Priority (20), Expectations (92).
