Medicaid provides health insurance to low-income Americans. Children make up nearly half of the program’s enrollment, but most spending is directed towards the elderly and disabled.

% of Total Medicaid Program

- Children < 19: 46%
- Adults 19 – 64: 29%
- Elderly 65+: 10%
- Disabled < 65: 15%
- Disabled 65+: 23%
- Disabled < 65: 42%
