

BUILDING AMERICA'S FUTURE

Americans want to live in a nation with widespread opportunity, a positive leadership role in the world, and a bright economic future for generations to come.

AMERICA'S FISCAL CONDITION AFFECTS OUR ABILITY TO ADDRESS KEY PRIORITIES.

OUR UNSUSTAINABLE FISCAL OUTLOOK

NATIONAL DEBT IS \$22 TRILLION AND RISING RAPIDLY

INTEREST COSTS ARE \$7 TRILLION OVER THE NEXT DECADE

WE'LL SOON SPEND MORE ON INTEREST THAN ON CHILDREN OR NATIONAL DEFENSE

HOWEVER, WE FACE A NUMBER OF CRITICAL, INTERCONNECTED CHALLENGES, INCLUDING:

UNAFFORDABLE HEALTHCARE

FALTERING INFRASTRUCTURE

NEW & UNPREDICTABLE SECURITY THREATS

RISING INEQUALITY

CHANGING CLIMATE

DECLINING EDUCATION

AMERICANS AGREE THAT MANAGING THE DEBT WILL ...

Lead to a better future for the next generation of Americans — **92%**

Make the economy more stable — **86%**

Increase our ability to invest in infrastructure — **81%** and education — **79%**

Strengthen our national security — **76%**

Help improve healthcare — **72%**
