REPUBLICAN (NET) ..................................... 32

DEMOCRAT W/ LEANERS (NET) ....................... 49%
REPUBLICAN W/ LEANERS (NET) ................... 37

As you may or may not know, in coming weeks, Democratic leaders in Congress and the administration have indicated their intention to move forward a significant legislative package including up to $3.5 trillion that would significantly expand support for education, childcare, and health care as well as address climate change and make further investments in infrastructure. The following questions are about that legislative proposal.

Q7. If lawmakers pass a major new package like this, how important is it that it be fully paid for with offsets in the federal budget including clearly identified spending cuts or revenue increases?

Very important .......................................... 45% 38% 42% 55%
Somewhat important ................................... 44 49 46 37
Not that important ...................................... 7 10 6 4
Not important at all ..................................... 4 3 6 3

IMPORTANT (NET) ........................................ 89% 87 88 93
NOT IMPORTANT (NET) ............................... 11 13 12 7

Q8. Do you agree or disagree with the following statement: We should not pass a legislative package if it increases the national debt.

Strongly agree ......................................... 27% 16% 27% 42%
Somewhat agree ....................................... 38 37 40 38
Somewhat disagree .................................... 23 29 22 16
Strongly disagree ...................................... 12 18 12 4

AGREE (NET) .............................................. 65% 53 67 80
DISAGREE (NET) .......................................... 35 47 33 20

For statistical purposes only, please answer the following questions.

D100. What is your gender?

Male .......................................................... 47%
Female ..................................................... 53
What is your age?
