### WHAT'S IN THE AMERICAN RESCUE PLAN?

On March 10, 2021, Congress passed the American Rescue Plan, the sixth major COVID-19 relief bill, which will cost an estimated $1.9 trillion through 2023. Here are some highlights of the American Rescue Plan:

- **Direct Payments**: $411 Billion
  - Direct payments of $1,400 to taxpayers earning up to $75,000 (or $150,000 for married couples earning up to $150,000), plus an additional $1,400 per qualifying child. Provided for incomes up to $80,000 ($160,000 for married couples).

- **Direct Aid to State, Local, and Tribal Governments**: $362 Billion
  - To help various governments cover expenses and losses of revenues related to the pandemic.

- **Expansion of Unemployment Benefits**: $203 Billion
  - Extends unemployment programs, such as the enhanced weekly benefit of $300, through September 6, 2021.

- **Tax Incentives**: $176 Billion
  - Includes improvements to the Child Tax Credit, the Earned Income Tax Credit, the Employee Retention Credit, and other programs.

- **Public Health and Related Spending**: $174 Billion
  - Includes funding for vaccine distribution, coronavirus testing, contact tracing, and other public health measures.

- **Educational Support**: $170 Billion
  - Priority to help K-12 schools safely reopen, colleges and other higher education institutions, and also vaccine funding.

- **Other Programs**: $301 Billion
  - Includes items such as food aid, small business support, emergency rental assistance, and relief for homeowners.
